

McRock Industrial Software Awards 2025

As part of its upcoming McRock Industrial Software Symposium 2025, McRock is pleased to announce this year's Industrial Software Awards.

The 2025 awards:

1. **Industrial Software Index Company of the Year:** awarded to a corporation from McRock's Industrial Software Index with a leading role in delivering software innovations for digital transformation of big industries.
2. **Industrial AI Tech Company of the Year:** awarded to a privately-owned emerging tech company that has shown tangible achievements in leveraging AI to deliver transformational software to the industrial world.
3. **Industrial Software Entrepreneur of the Year:** awarded to an entrepreneur whose business has created innovative new software and who has acted as a leader in the space promoting the adoption of industrial software.

The attached nomination form outlines the eligibility and evaluation criteria. We are seeking nominees around the globe and would greatly appreciate your help in nominating organizations in the Industrial Software industry.

Please submit all submissions by email to pritch@mccrockcapital.com by midnight on Friday, May 2, 2025.

Award recipients will be honoured at the McRock Industrial Software Symposium 2025 to be held at the Montreal Science Centre in Montreal, Quebec, Canada on Wednesday, June 11. To learn more, <https://www.mccrockcapital.com/symposium-2025/> or look for regular announcements on [McRock's LinkedIn](#).

How to Enter:

Please complete and submit the form found within this document.

Who Can Nominate:

Individuals, organizations, and investors can submit nominations. Self-nominations permitted.

Prizes:

The Recipients of the McRock Industrial Software Award 2025 will receive:

- Two complementary VIP passes to the McRock Industrial Software Symposium 2025 with the opportunity to deliver an acceptance speech to an audience of corporate executives, entrepreneurs and investors;
- Coverage in the McRock Sector Reports 2025; and
- A trophy recognizing the recipient of the McRock Industrial Software Award 2025.

Selection Process

Once received, all applications will be screened by an Independent Selection Committee for eligibility purposes. The applications will then be evaluated according to a standard grid based on the predetermined evaluation criteria. Once all applications have been evaluated, the Independent Selection Committee will determine the winner for each award. The winners will be notified on or before **May 17, 2025**.

Industrial Software Entrepreneur of the Year Award Details

Eligibility:

To be eligible for the **Industrial Software Entrepreneur of the Year**, the nominated individual must:

- Be the/a founder of a company providing software solutions to customers in industrial sectors
- Lead a company that is innovating solutions that drive tangible value for its customers
- Have delivered novel solutions that are proving to be transformative to users

Evaluation Criteria:

The Independent Selection Committee will choose the **Industrial Software Entrepreneur of the Year** based on the following:

- Demonstrated success as a founder and/or business leader in an Industrial Software company;
- Broken new ground or barriers for adoption of Industrial Software; and
- Has had an impact on the community, industry and employees through the work of the venture they started or currently lead.

Submission:

Please complete the nomination form found on the next page, save the file as a new PDF, then email the PDF to british@mcrockcapital.com

Nominations close on **Friday, May 2, 2025, at 11:59:59 p.m. Eastern Daylight Time.**

Failure to provide all of the required information will result in your nomination being ineligible for consideration.

By submitting a nomination, you confirm that all the information included in the nomination is accurate. All information provided is confidential and will be used only in the evaluation of the nomination for the purposes of the McRock Industrial Software Awards.
